

**Table S6.** Pairwise contrasts - cover of benthic functional groups over time. Note that the October 2019/January 2020 timepoint is represented as November 2019. SE = standard error of estimate. OR = odds ratio

| contrast                      | Label_General   | estimate | SE    | df  | z.ratio | p.value | OR    | OR_lower | OR_upper | sig |
|-------------------------------|-----------------|----------|-------|-----|---------|---------|-------|----------|----------|-----|
